ORAL ORDER
(Passed on 14th March, 2007)

This Court, by its order dated 22-6-2006 in Writ Petition 2917 of 2006, had directed the respondents to continue the petitioner to work either till the disposal of the writ petition or till the petitioner attains the age of 62 years, whichever is earlier.

(2) Now I am informed by learned counsel appearing for respondent No.2 that the petitioner was allowed to continue to work till he attained the age of 60 years and thereafter he was discontinued for a period of 6 months by the first respondent. Thereafter, the petitioner was again allowed to continue to work and he is still continuing. to work.

(3) The grievance of the petitioner in this contempt petition is that by virtue of the interim order in the writ petition, he was allowed to work, but the respondents have not paid any salary to the petitioner.

(4) In my opinion, for the aforesaid relief that the petitioner is claiming before this Court, he should file an appropriate representation before the respondents and the respondents should consider that representation and pass appropriate orders. Therefore, the relief sought for in this contempt petition cannot be granted.

(5) Accordingly, the contempt petition is disposed of. However, liberty is reserved to the petitioner to make an appropriate representation before the Executive Engineer, Public Works Department, Khairagarh Division, Rajnandgaon for redressal of his grievance and the Executive Engineer shall consider the same in accordance with law. Ordered accordingly.
